Castleford Academy Trust
Trustees' Report
For The Year Ended 31 August 2023

The trustees who are also directors of the academy trust for the purposes of the Companies Act 2006, present their annual report together with the financial statements and auditor's report of the charitable company for the year from 1 September 2022 to 31 August 2023. The annual report serves the purpose of both a trustees' report and a directors' report and strategic report under company law. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Academies Accounts Direction issued by the Education and Skills Funding Agency.

Castleford Academy Trust comprises two secondary academies: Castleford Academy and Crofton Academy; and three primary academies: Castleford Park Junior Academy, Glasshoughton Infants Academy and Three Lane Ends Academy. The academies have a combined pupil capacity of 3,570 plus 156 nursery and 50 Post 16 places and had 3,507 pupils on roll plus 125 children in nursery and 5 in Post 16 in the school census in October 2023.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Constitution

The Academy Trust is a company limited by guarantee and an exempt charity. The Charitable Company's memorandum and articles of association are the primary governing documents of the Academy Trust. The trustees of Castleford Academy Trust are also the directors of the charitable company for the purposes of company law. The charitable company is known as Castleford Academy Trust.

Details of the trustees who served during the year are included in the reference and administrative details on page 1.

Members' liability

Each member of the charitable company undertakes to contribute to the assets of the charitable company in the event of it being wound up while they are a member, or within one year after they cease to be a member, such amount as may be required, not exceeding £10, for the debts and liabilities contracted before they ceased to be a member.

Trustees' Indemnities

A trustee may benefit from any indemnity insurance purchased at the academy trust's expense to cover the liability of trustees which by virtue of any law would otherwise attach to them in respect of any negligence, default or breach of trust or breach of duty of which they may be guilty in relation to the academy trust. The cost of this insurance is included in the total insurance cost and provides unlimited cover through the DfE's Risk Protection Arrangement (RPA).

Governors' liability (which includes trustees of an Academy Trust) is provided within the Risk Protection Arrangement (RPA) from the Department for Education up to a limit of £10,000,000 in any one membership year.

Recruitment and appointment of new trustees

In accordance with the articles of association the trustees are appointed as follows:

The members may appoint up to 10 trustees. The members of Castleford Academy Trust are:

- Adam Fletcher
- John Hughes
- Angela Pool
- Tim Morris (resigned 21/11/2022)
- Gary Hetherington
- Kathryn Stainburn (appointed 12/12/2022)

The members may appoint trustees through such process as they may determine. The articles allow the members the decision on whether to appoint the trust's senior executive as a trustee, however, no other employee shall serve as a trustee in order to retain clear lines of accountability through the senior leaders.

There shall be a minimum of two parent directors unless there are local governing bodies which include at least two parent members. Parent trustees or governors must be parents of a registered pupil at an academy or where it is not reasonably practical to do so, a person who is the parent of a child of compulsory school age.

All trustees are appointed on the basis of the contribution they can make to the development and success of Castleford Academy Trust. The trustees are assessed based on personal qualities, specific skills and expertise they can provide. All trustees give their time freely and receive no remuneration other than reasonable expenses, except the Chief Executive Officer who is an employee of Castleford Academy Trust.

Trustees' Report
For The Year Ended 31 August 2023

Induction and training of new trustees

The training and induction provided for new Trustees will depend on their existing experience. Where necessary, induction will provide training on charity, education, legal and financial matters. New Trustees will be given a tour of the academies within the Trust and the chance to meet with senior management, staff and pupils. All Trustees are provided with copies of policies, procedures, minutes, accounts, budgets, plans and other documents that they will need to undertake their role as Trustees.

Organisational structure

The management structure consists of five levels: the members, the board of trustees, the governing bodies, the trust executive team and the senior leadership teams. The aim of the management structure is to devolve responsibility and encourage involvement in decision making at all levels.

Members

Members are the subscribers to the Memorandum of Association and define the Object, Purpose and Ethos of the Company and can direct the Trust Board, where required to ensure those elements are met.

Trust Board

The Trustees, who form the Trust Board, have overall responsibility and ultimate decision making authority for all the work of the Trust, including the establishing and running of the academies. This is exercised principally through strategic planning and the setting of policy, holding the Executive Team to account and the oversight of financial control. It is managed through business planning, monitoring of budgets, performance appraisal, the setting and monitoring of standards and the implementation of quality assurance processes. In this work, the Board is aided by the Finance, Risk and Audit Committee and the Education and Standards Committee.

Local Governing Bodies

The Trustees delegate their responsibilities for the day to day oversight of each academy to Executive Leaders and Local Governing Bodies (LGB) through a Scheme of Delegation. The Headteacher of each academy is an ex officio member of the LGB of their academy.

Executive Team

The Executive Team is made up of the Chief Executive Officer, Chief Finance and Operations Officer, Director of Secondary Education, Director of Primary Education, Director of Finance, Director of Operations, Trust HR and the Trust Governance Professional who are responsible for the operational management of the Trust and its' academies, including monitoring performance and ensuring the Trust's strategy and policies are translated into action across the academies. The Chief Executive Officer is accountable and responsible for the operation of the Trust and the Chief Finance and Operations Officer has financial oversight of the Trust on a day to day basis.

Senior Leadership Teams

Executive leaders and the Senior Leadership Team with Middle Managers are responsible for the day to day operation of the academy trust and each academy within it.

Arrangements for setting pay and remuneration of key management personnel

Castleford Academy Trust Pay and Performance Management Policies set out the framework for making decisions on teacher (including leadership) and support staff pay. It is developed to comply with current legislation and the requirements of School Teachers' Pay and Conditions Document (STPCD) 2023.

In setting the remuneration of the Trust's CEO, the Trust Board will set a seven-point range with reference to that which would be applicable were all pupils within the Trust contained within a single school alongside the complexities and responsibilities of the post, in particular the financial and resources responsibilities, the 'category' or academies being supported and the market factors for jobs of a similar status/responsibility. The CEO is subject to the same performance management and pay progression arrangements as other key personnel within the Trust. The CEO will be appraised by the Trustees, supported by a suitably skilled and/or experienced external adviser who has been appointed by the Trust Board for that purpose.

Remuneration for Executive leaders is set with reference to other leadership posts in the Trust's academies by comparing the levels of responsibility attached to these posts with those of other academy senior leaders and determining an appropriate range on the Leadership pay spine alongside the complexities and responsibilities of the post, in particular the financial and resources responsibilities, the 'category' or academies being supported and the market factors for jobs of a similar status/responsibility. Executive leaders are subject to the same performance management and pay progression arrangements as other key personnel within the Trust. Executive leaders will be appraised by the CEO, supported by Trustees and other delegated senior trust leaders and when appropriate supported by a suitably skilled and/or experienced external adviser who has been appointed by the Trust Board for that purpose. Please refer to Castleford Academy Trust Pay and Performance Management Policies 2023 for further details.

Castleford Academy Trust
Trustees' Report
For The Year Ended 31 August 2023

In determining the pay of the Trust's headteachers, the Trust sets a Headteacher Range of seven points for the Headteacher within the range of salaries applicable to the Headteacher group of the school. The range is determined on the basis of the school size and circumstances. Headteachers will be appraised by the CEO, supported by governors and other delegated senior trust leaders supported by a suitably skilled and/or experienced external adviser who has been appointed by the Trust Board for that purpose.

Castleford Academy Trust subscribes to Wakefield Council's buy-back arrangements for academies to access local trade union representatives from the recognised teacher associations ASCL, ATL, NAHT, NASUWT and NUT. The annual cost Sep-22 to Aug-23 was £17,705.

Trade Union Facility Time

This information is published in accordance with the provisions of the Trade Union (Facility Time Publication Requirements) Regulations 2017 because the academy trust had a full-time equivalent employee number of more than 49 throughout the entirety of any seven of the months within the year ended 31 August 2023.

Engagement with employees

Castleford Academy Trust believes that everyone should be treated fairly and without prejudice. We believe that a non-discriminatory approach is beneficial to the working environment just as an inclusive approach is essential for the learning environment. As such, we believe that discrimination is unacceptable and recognise two fundamental principles:

- Each individual has the right to equality of opportunity, but this also brings with it the responsibility of each individual to respect those rights for others;
- The needs of one individual are not identical to those of another and we have a responsibility to both recognise the individual's needs and to respond positively to them.

Communication in the form of regular meetings and briefing sessions between staff and senior leaders ensures that future developments can be communicated and current issues can be understood. Specific matters are widely communicated using email and senior leaders are happy to meet with staff to discuss any issues. Staff know what to do if there is a problem and are aware of what they need to report and who they would report to.

The Trust has a number of employment policies which cover a breadth of matters and follow best practise. The policies are available to staff via Staff Sharepoint and HR colleagues are available to discuss any queries in relation to these policies.

The Trust's positive outlook and excellent reputation enables us to attract and sustain high quality staff teams lead by exceptional leadership teams. The Trust recognises Trade Unions and works constructively with them.

OBJECTIVES AND ACTIVITIES

Objects and Aims

The object of Castleford Academy Trust, as set out in its articles of association, is specifically restricted to: "advance for the public benefit education in the United Kingdom, in particular but without prejudice to the generality of the foregoing by establishing, maintaining, carrying on, managing and developing academies offering a broad and balanced curriculum."

In accordance with the Articles of Association, the charitable company has adopted a Funding Agreement approved by the Secretary of State for Education. The Funding Agreement specifies, amongst other things, the basis for admitting pupils to each Academy, the catchment area from which the pupils are drawn, and that the curriculum should comply with the substance of the national curriculum and their practical applications.

Public Benefit

In setting our objectives and planning our activities the Trustees have carefully considered the Charity Commission's general guidance on public benefit. The principal public benefit delivered by the Trust is the provision of a high-quality education to all pupils, in line with the articles of association. In particular by establishing, maintaining, managing and developing its academies and offering a broad and balanced curriculum. The direct beneficiaries of the Trust are the children and young people of Castleford and Crofton, who benefit from the education provided through the Trust. The Trust aims to improve outcomes for all children within the Trust and, wherever possible, beyond the Trust. This will be achieved through working in partnership with our academies to implement a wide range of school improvement initiatives.

Objectives, strategies and activities

Our trust vision is "working together to achieve excellence for all". All the academies within the Trust have a strong moral purpose and seek to have a positive impact on the communities that they serve and to support families to overcome any social disadvantage. This is delivered through an ambitious and engaging curriculum where no learner is left behind, alongside a strong pastoral support programme which ensures that pupils overcome any barriers to learning. In our commitment to excellence, we place ourselves at the forefront of educational developments and create an environment that is innovative, a positive climate for learning and attainment and fully supports pupils' social and emotional developments.

All academies within the Trust offer a rich set of experiences to allow pupils to grow and nurture talent in a number of ways including but not limited to sport, drama, music, art or technology. Staff will strive to give pupils opportunities to compete with the very best locally, nationally and globally. We are proud of our pupils and the positive contribution they make to society.

We are an ambitious and innovative Trust who are deeply committed to our values of Care, Aspire and Succeed and have very high expectations and aspirations for our pupils. The key to the success of the Trust is the commitment of an outstanding team of leaders, teachers and support staff who, through mutual sharing of knowledge, expertise, systems and resources from across education and business support the raising of educational standards and achievements. This enables us to sustain and enhance educational performance, improving the life chances of all pupils across the Trust.

At Castleford Academy Trust, it is essential that we deliver a first class standard of education and ensure that all of our academies work towards this being achieved at pace for the immediate benefit of our pupils and wider community.

Castleford Academy Trust is an exceptional place to work and has a team of dedicated and committed staff. We strongly believe in developing and nurturing talent by providing opportunities for staff training and development. We are proud of our achievements but are always striving to do more and provide the very best life opportunities for the communities we serve. We continually seek out the best practice to ensure that our provision sits alongside the finest that is available nationally.

Castleford Academy Trust three year strategic plan outlines the main areas of focus and actions that will ensure we meet our vision, work within our values and achieve our aims. Underpinning the strategic plan is an annual Trust Development Plan and individual academy self-evaluation and Academy improvement plans. All academies self-evaluate their current performance against the Ofsted framework and against national performance and accountability measures. These plans are evaluated and quality assured throughout the year. The Trust wide strategic objectives for the relevant reporting period were:

Key Objective 1 - School improvement: To maintain and improve high standards of academy effectiveness, quality of education and the standard of educational achievement for all pupils resulting in strong academic success and improved life chances.

Trustees' Report
For The Year Ended 31 August 2023

Key Objective 2 - Positive impact on the community: To build thriving and caring communities where challenge and support enables success through effective leadership and governance.

Key Objective 3 - To build a strong and sustainable infrastructure: To deliver outstanding central services to enable school leaders to focus on their core educational purpose, including the management of estates, health and safety, IT and risk to create first class learning environments.

Key Objective 4 - To continue to remain financially secure: Ensure effective integrated curriculum led financial planning and sound financial management controls, enabling further development of highly effective school improvement across trust academies.

Key Objective 5 - To grow the number of academies in the Trust: Further develop existing systems, processes and policies to enable the Trust to increase the number of its academies, in order to advance education benefit for more pupils and their communities.

Key Objective 6 - Lead, develop and care for the people in our Trust: Continue to be a community focussed organisation and employer of choice with the spirit of partnership, recruiting, retaining and developing a high calibre workforce.

STRATEGIC REPORT

Achievement and performance

Charitable activities

We are delighted to present below a summary of our achievements and performance over the past year. Our commitment to 'working together to achieve excellence for all' has led to noticeable academic success, pupil performance, and overall academy effectiveness in delivering a high-quality education for all pupils across the Trust.

Key performance indicators

The government published and made available the data for all relevant key stages, with comparisons made to national averages and the previous academic year. Given the unprecedented circumstances surrounding the pandemic (and the support measures put in place nationally for secondary schools), performance data for 2023 should not be compared with the previous year's performance, but are noted here for reference.

The following data represents the main key performance indicators for the Trust:

Attendance

Pastoral and attendance teams have continued to prioritise pupil attendance in the past academic year and have ensured that the impact of the pandemic in relation to pupil absence has been minimised through extensive attendance monitoring and support provision.

The table below provides a comparison of pupil attendance and persistent absence in 2022/2023 for each academy within the Trust, compared to national averages (based on DFE data) and the previous academic year's performance:

Primary Academies	Attendance Levels			Persistent Absence		
	National Average 2023	Actual 2022	Actual 2023	National Average 2023	Actual 2022	Actual 2023

External Accountability

The Trust recognises the important role that Ofsted has in monitoring standards. The profile of our academies continues to show improvements against the rigour of the Ofsted Framework, with all five academies in the Trust now evaluated by Ofsted as providing a 'good' or better quality of education.

The latest OFSTED judgements are as follows:

	Date of inspection	Judgement
Castleford Academy	October 2019 (Graded inspection)	Outstanding
Castleford Park Junior Academy	February 2019 (Graded inspection)	Good
Crofton Academy	July 2023 (Graded inspection)	Good
Glasshoughton Infant Academy	January 2023 (Graded inspection)	Good
Three Lane Ends Academy	November 2023 (Graded inspection)	Good

Some highlights from recent Ofsted inspections or external reviews at each academy:

Castleford Academy

Castleford Academy received a graded Ofsted Inspection in October 2019. Castleford Academy was the first secondary school in the country to be judged 'Outstanding' under the new inspection framework released in September 2019. A summary of the judgements and key strengths of the academy are set out below:

	Judgement
Overall Effectiveness	Outstanding
Quality of Education	Outstanding
Behaviour and Attitudes	Outstanding
Personal Development	Outstanding
Leadership and Management	Outstanding
Sixth Form Provision	Outstanding

- Castleford Academy is an exciting place to learn. Pupils follow a fulfilling curriculum. They gain deep knowledge and understanding across a wide range of subjects.
- Leaders prepare pupils thoughtfully for their next steps in life.
- Leaders plan memorable experiences for pupils. These include partnerships with major art galleries and ballet companies.

Castleford Academy Trust
Trustees' Report
For The Year Ended 31 August 2023

- Pupils behave very well. Leaders create a calm and respectful environment. Pupils are articulate and polite. Many pupils hold positions of responsibility. These help to develop pupils' self-esteem. The school is a safe and supportive place to learn.
- Senior leaders want pupils to secure deep knowledge and skills across many subjects. Staff share this aim. Leaders map out carefully what pupils need to know and remember. Effective teaching helps all pupils to make exceptional progress across the curriculum.
- Senior leaders develop the expertise of curriculum leaders in all subjects. Curriculum leaders share this expertise with their departments. They also share this with other schools. Pupils' subject knowledge is developed very well. Pupils can explain how teachers help them to remember their learning. This strong knowledge is reflected in pupils' work and their exceptional progress at GCSE. Teachers ensure that all pupils benefit from the quality of education they provide.
- Pupils value learning. They can explain how teachers help them to learn. They listen carefully to their teachers and to one another.
- Pupils attend well. Leaders and teachers help pupils to behave well. Incidents of exclusion are low and declining.
- Leaders support pupils' development as responsible young people. They make sure that the curriculum challenges racism and homophobia. Pupils value equality and the rights of others.
- Teachers support pupils with special educational needs and/or disabilities (SEND) very well. They ensure pupils with SEND understand their learning across subjects. Pupils with particular needs, such as those with hearing impairments, access a full curriculum.
- The headteacher provides clear vision for staff and pupils. He is supported by a very strong team that has provided an exceptional quality of education for pupils.
- The arrangements for safeguarding are effective. Leaders have developed a very strong focus on safeguarding. The safeguarding team work with staff to raise awareness of pupils' safety."

In addition, recent external reviews have confirmed that Castleford Academy continues to deliver a high quality of education and has successfully minimised the impact of the pandemic. A summary of the key strengths highlighted by the review are set out below:

- Leaders are clear of the way the pandemic impacted on pupils across the curriculum, which in turn has informed strategies to ensure all pupils are provided with support to ensure they are not disadvantaged.
- Subject leaders have focused on reviewing the curriculum in light of the misconceptions and gaps in knowledge as a consequence of the pandemic.
- Leaders are able to quickly identify areas which need strengthening and provide the support needed to rectify any issues which may arise.
- New leaders are well supported by the trust.
- There is a wealth of expertise. Leaders are up to date with current thinking within education and updates related to inspection. Leaders have carefully considered the needs of pupils in light of the pandemic and the needs of the community, to ensure there is a quality offer.
- Pupil outcomes remain strong as a result of an unrelenting quality of education.

Crofton Academy

Crofton Academy received a graded Ofsted inspection in July 2023. The inspection highlighted that Crofton Academy was judged to be 'Good' overall and in all areas. The inspectors noted the effectiveness of the work across the Trust to address areas of weakness identified in their previous inspection, prior to the academy joining the Trust. A summary of the judgements and key strengths of the academy are set out below:

	Judgement
Overall Effectiveness	Good
Quality of Education	Good
Behaviour and Attitudes	Good
Personal Development	Good
Leadership and Management	Good

- Crofton Academy is a school transformed since the last inspection.
- Expectations of pupils' behaviour, and what pupils can achieve academically, have been raised.
- Pupils' achievement in examinations at the end of Year 11 have significantly improved. Examination outcomes in 2022 were broadly in line with national averages in most subjects.
- Pupils in Years 7 to 9 benefit from studying a broad and balanced curriculum.
- Behaviour in lessons, and around school, is calm.
- There are high levels of respect between pupils and with adults. As one pupil noted: 'School is now a community who all work together to make things better for everyone.'

Castleford Academy Trust
Trustees' Report
For The Year Ended 31 August 2023

- Pupils enjoy attending school.
- Pupils with visual impairments play a full part in school life. Teachers work effectively with the visual impairment unit team to ensure that all pupils can fully benefit from lessons, including adapting physical and printed lesson resources.
- Teachers receive high-quality professional development to help them teach effectively.
- Pupils benefit from a wide range of clubs and societies. The proportion of pupils with SEND and those eligible for pupil premium funding attending clubs and societies is high.

Castleford Park Junior Academy

Castleford Park Junior Academy received a graded Ofsted Inspection in February 2019. The inspection highlighted that Castleford Park Junior Academy was judged 'Good' overall and in all areas. A summary of the judgements and key strengths of the academy are set out below:

	Judgement
Overall Effectiveness	Good
Effectiveness of leadership and management	Good
Quality of teaching, learning and assessment	Good
Personal development, behaviour and welfare	Good
Outcomes for pupils	Good

- The headteacher, supported by the leadership team, has high expectations and is committed to the school's continued improvement. She provides strong leadership for staff and pupils.
- Governors and the trust have provided effective challenge and support. As a consequence, leaders have successfully tackled all of the areas requiring improvement at the time of the last inspection.
- Teaching, learning and assessment and outcomes are now securely good. The teaching of the basic skills of reading, writing and mathematics has improved and is effective across the school.
- Pupils make good progress from their differing starting points. They typically reach above average standards in reading and writing and average standards in mathematics. However, there are a few inconsistencies, and, in some cases, progress is less consistent.
- Teachers' high expectations mean that most pupils produce a good amount of work to a high standard. However, there are a few inconsistencies and not enough is always expected of all pupils.
- Spelling, grammar and punctuation skills are taught effectively so most pupils present work to a good standard. On occasion, not all errors are corrected, and some pupils make repeated mistakes.
- Strengths in pupils' attitudes contribute to their successful learning and development.
- Pupils' behaviour is good, both in classrooms and around the school. Pupils say that they enjoy school, which is reflected in their steadily improving attendance. They are eager to learn and work hard.
- The curriculum is effectively planned and implemented. However, there are some small variations in the impact on pupils' learning in some subjects.
- Teachers' strong subject knowledge is used well in English and mathematics lessons. Occasionally, in other subjects teachers' knowledge is less well developed.
- There are strengths in the promotion of pupils' spiritual, moral, social and cultural development. As a consequence, pupils are effectively prepared for life in modern Britain.
- Subject leadership has improved so that leaders have an accurate view of the strengths and where further improvements could be made.
- Most parents and carers are supportive of the school and value the recent improvements.

In addition, a recent external review has confirmed that Castleford Park Junior Academy continues to deliver a high quality of education. A summary of the key strengths highlighted by the review are set out below:

- The headteacher has extremely high expectations and has ensured that other leaders in the school follow her example. Castleford Park Junior Academy benefits from very strong leadership and receives excellent support from the trust. As a result, despite the challenges, the wider leadership team and the teaching staff have developed very well and continued to move forward in their thinking and practice.
- Curriculum planning is very detailed and identifies the precise knowledge that needs to be taught to enable pupils to be successful in their learning.
- Subject leaders are enthusiastic about their subjects and have worked hard to ensure that they have the knowledge and understanding to lead them. The planning is sufficiently detailed to ensure that teachers have the subject knowledge to be able to teach.
- Visits to lessons confirmed the impact of leadership at senior and subject level. All lessons showed a high degree of consistency and adherence to the subject expectations and there was clear evidence of collaborative planning and consistency in what was being taught across year groups.
- Behaviour in lessons was good and the vast majority of pupils were engaged in, and able to talk about, their learning. The proportion of pupils with SEND is high at CPJA, and this was evident in the classroom. However, those pupils benefitted from some high-quality TA support and adaptive teaching which meant that classroom environments were very inclusive and pupils with SEND were able to be successful.

Glasshoughton Infant Academy

Glasshoughton Infant Academy received a graded Ofsted inspection in January 2023. The inspection highlighted that Glasshoughton Infant Academy was judged to be 'Good' overall with 'Outstanding' personal development. A summary of the judgements and key strengths of the academy are set out below:

	Judgement
Overall Effectiveness	Good
Quality of Education	Good
Behaviour and Attitudes	Good
Personal development	Outstanding
Leadership and Management	Good
EYFS	Good

- This is a caring and ambitious school. Leaders prioritise the development of pupils' character. Members of the school council are elected by their peers. These roles, among others, fill the pupils with a sense of pride and promote a sense of responsibility from an early age.
- Leaders have ensured that there are many opportunities for pupils to develop their talents and interests. Pupils enjoy taking part in a wide range of extra-curricular experiences, such as photography and yoga clubs.
- Leaders are ambitious for what pupils can achieve. Subject leaders have thought carefully about the knowledge that is included in the school's curriculum.
- Teachers check what pupils have learned and remembered each term. Together, teachers and leaders identify the pupils who need extra help. Teachers ensure that these pupils receive the support they need.
- Pupils have a range of opportunities to solve problems and explain how they work things out. Pupils are confident when talking about what they have learned. Pupils' focused behaviour in classrooms contributes positively to their learning.
- Children get off to a good start in the early years. Adults build positive relationships with pupils. The environment is well organised and attractive. Adults help children to learn through interesting and purposeful activities.
- Leaders make sure that reading is a priority across the school. They have introduced a range of approaches to encourage a love of reading. Pupils speak with enthusiasm about their experience of talking to an author. Children learn to read as soon as they enter the school. Those children who need extra help with learning to read receive effective support.
- Leaders have ensured that pupils with special educational needs and/or disabilities (SEND) are well supported. Staff work closely with professionals from external agencies to ensure that pupils with SEND receive the help that they need.
- Leaders have established a strong team culture. They take care to consider the workload of staff. Staff feel valued. They appreciate the support that they receive from senior leaders and the academy trust.
- Governors have a detailed understanding of the strengths of the school and what needs to be done to make further improvements. They provide leaders with effective challenge and support.
- The arrangements for safeguarding are effective. The safety of pupils is a priority.

In addition, a recent external review has confirmed that Glasshoughton Infant Academy continues to deliver a high quality of education. A summary of the key strengths highlighted by the review are set out below:

- It was a real pleasure to be in the school and to see the high-quality provision and clear leadership which has led to consistently strong outcomes over time, and particularly so in 2023.
- Though the review took place early in the academic year, all children from Nursery upwards understood routines and were engaged and motivated by their learning. Observed behaviour was excellent. Pupils were excited by their learning, resulting in some very effective unprompted collaboration, and they were keen to help their classmates with their work if they got stuck.
- A phenomenal amount of work has gone into the development of the curriculum in the last few months. In everything they do, leaders place clear emphasis on ensuring that teaching and the curriculum are systematic so that pupils have a deep understanding of what they are learning before they move on.
- Teachers have received extensive CPD to support the delivery of the new curriculum and to enhance their ability both to create writing models and to live model for pupils in the classroom.
- The impact of the headteacher's passionate and strategic leadership is evident from the enthusiasm and commitment demonstrated by all staff and the high degree of consistency seen in all classrooms from all teachers.
- Visits to writing lessons showed that there is consistently good modelling from teachers both when using the visualiser and when talking through their thought processes. Equally consistent was teachers' use of live feedback. The new approach to writing was followed very consistently and the build-up to pieces of independent writing was very evident in all books.
- In art, the teachers modelled effectively, and as a result of this many pupils were able to talk about the sequence of learning, which shading choice they had made and why, and their choice of pencil. In PE, children in Reception knew that physical activity was good for their body and brain and could talk about what they had been doing.

Three Lane Ends Academy

Three Lane Ends Academy received a graded Ofsted inspection in November 2023. The inspection highlighted that Three Lane Ends Academy was judged to be 'Good' overall and in all areas. A summary of the judgements and key strengths of the academy are set out below:

	Judgement
Overall Effectiveness	Good
Quality of Education	Good
Behaviour and Attitudes	Good
Personal development	Good
Leadership and Management	Good
EYFS	Good

- Staff at Castleford Three Lane Ends Academy have high expectations of pupils. Castleford Academy Trust support this ambition.
- The school has a well-designed curriculum. Leaders have carefully considered learning steps that build to ambitious end points. Curriculum leaders are able to explain the curriculum structure with confidence. They check that teachers deliver their subject consistently well.
- The school has established systems to check what pupils know and understand. In lessons, such as art and history, pupils work purposefully. They remember what they have been taught in previous lessons.
- In discussion and debates, pupils converse well. They are polite and respectful to each other. Pupils present their work in books well. They take on responsibility and show independence.
- Staff provide pupils with special educational needs and/or disabilities (SEND) with the same ambitious curriculum as other pupils. Staff provide these pupils with adaptations in lessons such as specialist equipment that helps them to access learning. The trust has provided training to help develop curriculum leaders' understanding of school improvement.
- The teaching of early reading is consistent. All adults follow the school's phonics programme and teach phonics appropriately. Pupils read books that contain the sounds that they know. Leaders celebrate reading in many ways across the school. Pupils enjoy listening to their teacher read the class reading book.
- The curriculum in the early years is well organised and logically sequenced. Teachers know and use the vocabulary that they want children to learn. Staff design learning activities well to help children build the knowledge and skills they need for later learning. They cooperate well together.
- Pupils benefit from the school's personal development programme. This supports pupils' well-being. Pupils know how to treat others respectfully, irrespective of difference.
- The school provides many opportunities for pupils to develop their talents and interests. Pupils enjoy attending clubs after school, such as choir and art. Staff link educational trips and visits to curriculum topics that the pupils study.
- Behaviour is calm and orderly. Pupils are happy and feel safe. All members of the school community embrace equality of opportunity.
- The school have worked with local partners to improve the systems to check pupils' attendance. This work has had a positive impact on most pupils.
- Teachers feel that leaders consider their needs and prioritise their well-being.
- The chief executive officer, trustees and governors have been key partners in reshaping the strategic direction of the school, which has rapidly improved in all areas. The trust has worked alongside school leaders to drive timely and sustainable improvements.

Achievement and performance

Promoting the success of the company

Castleford Academy Trust is governed by its charitable objects. These charitable objects set out the purpose of the charity. The consequences of all decisions and activities of the charity are assessed by how they drive us towards achieving that long-term purpose, including by reference to the charity's strategy, vision, and values, and to provide the best education possible for all pupils. As an educational charity, we are accountable not only to our funders and direct beneficiaries (our pupils), but also to our parents and the wider community. These stakeholders support us, engage with us, and challenge us. They ensure that the decisions we make as a charity, from the ground level through to the Board, are for their benefit. We are a values-driven organisation, and our values mean that we are informed, shaped, and powered by our determination to uphold our vision and values. Well-established involvement and consultation mechanisms, both direct (through pupil, parent, and staff surveys) and indirect (through the involvement of parents and local people on our Academy Governing Bodies and Trust Board), ensure that decisions made by the Trustees are informed by the needs of the organisation's stakeholders.

Long-term consequences of any decision

Trustees consider the consequences of any strategic decision in the long term as part of their assessment. We aim to ensure that, as an organisation, we balance our income and expenditure to ensure that our organisation provides a first-class education through efficient and effective curriculum-led financial planning and remains sustainable in the long term. This is balanced against the needs of our pupils, staff, other stakeholders, and the community to ensure we are spending the funding we receive from the government in the most effective way to support our aims and with integrity.

The interests of the company's employees

Details of how the Trustees give consideration to the interests of the organisation's employees can be found in the section Engagement with employees within this report.

The need to foster the company's business relationships with suppliers, customers and others

Details of how the Trustees give consideration to the interests of the organisation's other stakeholders can be found in the section Engagement with suppliers, customers and others in a business relationship with the Trust.

The impact of the company's operations on the community and the environment

Details of how the Trustees give consideration to the impact on the community can be found in the section Engagement with suppliers, customers and others in a business relationship with the Trust. Further information is also given in the section on Public Benefit.

The desirability of the company maintaining a reputation for high standards of business conduct

The Trust aims to conduct all its relationships with integrity and courtesy, and scrupulously to honour every business agreement. The Trustees have approved a number of policies that help to ensure the charity maintains high standards of business conduct including Capital and Reserves Policy, Whistleblowing Policy and Gifts and Hospitality Policy.

The need to act fairly as between members of the company

All members of the Trust are treated fairly and equally, with the same access to information, the ability to directly contact the Trustees or the CEO, and being invited to participate in training or strategic development events. All matters reserved for decision by the Trustees are presented at board or committee meetings as appropriate. Trustees are briefed on any identified potential impacts and risks for our stakeholders and how they are to be managed. The Trustees take these factors into account before making a final decision, which they believe is in the best interests of the Trust and its stakeholders.

STRATEGIC REPORT

Financial review

Financial position

Most of the Trust's income is obtained from the ESFA in the form of recurrent grants, the use of which is restricted as defined by its Funding Agreement. The grants received from the ESFA and other government bodies during the year ended 31 August 2023 and the associated expenditure are shown as restricted general funds in the Statement of Financial Activities. The academy trust received total revenue grant income of £23,601,000 (2022: £21,658,000) during the year. Details are shown in note 4 to the accounts.

The academy trust also received capital funding of £1,024,000 (2022: £814,000) during the year. The grants are shown in the Statement of Financial Activities as restricted fixed asset funds and restricted general funds. The restricted fixed asset fund balance is reduced by depreciation charges over the expected useful life of the assets concerned. Details are shown in note 15 to the accounts.

Total expenditure for the period amounted to £25,396,000 which included £911,000 of depreciation on fixed assets and £385,000 of actuarial pension costs.

The Academy Trust's surplus for the year (excluding fixed asset fund and pension reserve) was £875,000 (2022: £349,000).

At 31 August 2023 the net book value of tangible fixed assets was £31,791,000 (2022: £32,169,000). The assets were used exclusively for providing education and the associated support services to the students of the academy trust.

Investment policy and objectives

The Trustees' investment powers are governed by the Memorandum and Articles of Association and Funding Agreement with the Secretary of State. They restrict the investment vehicles that may be used. Investments are currently restricted to treasury and deposit accounts with the Trust's bankers.

Decisions on how much to invest and how long to invest for will be based on operational requirements and demonstrated by cash flow forecasts produced by the academy and reviewed by the CFOO in conjunction with the CEO. Investments for the fixed term should maximise the return on current balances whilst enabling flexibility. A sufficient balance must be held in the current accounts so that the academy's financial commitment can always be met without the bank account going overdrawn. The size of the balance required in the current account will be determined by a forecast of future need and kept under review.

Reserves policy

Castleford Academy Trust has established a reserves policy to protect the organisation and its charitable activities by providing a financial cushion against an unpredictable future. This restricts the impact of any risk (internal or external) upon continuing operations. The principal risk regarding continuing operations and the need for surpluses relate to the maintenance and replacement of the charity's substantial asset base and any possible delay in the receipt of grant funds. The reserves policy also provides the framework for future strategic planning and will assist decision making.

The reserves policy establishes what is believed to be an appropriate target level for reserves held, in line with one month's payroll costs for each academy: £784k, £466k, £165k, £90k and £150k respectively for Castleford Academy, Crofton Academy, Castleford Park Junior Academy, Glasshoughton Infant Academy and Three Lane Ends Academy. The Trustees review the level of reserves of the academy trust on an annual basis. This review encompasses the nature of income and expenditure streams, the need to match income with commitments and the nature of reserves.

At 31 August 2023, Castleford Academy Trust held £2,670,000 in unrestricted free reserves and £2160,000 in restricted reserves. This is above the minimum level set by the Trust by £3,175,000

A significant proportion of the funding above the minimum level set by the Trustees has been designated for capital expenditure in the next five years in line with renewal and refurbishment plans with the remainder being held to smooth budget fluctuations due to rising energy costs, inflation and the effects of the New Funding Formula.

Pooling of reserves

From September 2023 the Trust will introduce Reserves Pooling, existing reserves in each Academy over and above the agreed level of reserves per the reserves policy to be transferred to the Trust and held at an overall level. This will allow Trustees to direct funds to where they are most needed and support the delivery of the Trusts vision and strategy ensuring all pupils have an equal opportunity to learn and succeed.

Going concern

After making appropriate enquiries, the board of trustees have a reasonable expectation that Castleford Academy Trust has adequate resources to continue in operational existence for the foreseeable future. For this reason, it continues to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the Statement of Accounting Policies.

Fundraising

The trust does not employ commercial participators or professional fundraisers. Schools within the Trust fundraise through regular school fund activities such as Christmas and Summer Fairs. Fundraising also takes place to support other charitable organisations, for example non-uniform days or coffee mornings. All fundraising undertaken during the year was monitored by Trustees.

Principal risks and uncertainties

The trustees have a duty to identify and review the risks to which the Academy Trust is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error. The academy trust has agreed a risk management strategy. The risk register and risk management plan are reviewed in light of any new information and formally reviewed annually.

The trustees have assessed the major risks to which Castleford Academy Trust is exposed, in particular those relating to the specific provision of teaching, facilities management and other operational areas of the Academy Trust and its finances. The trustees have implemented a number of systems to assess the risks that the trust faces, especially in the operational areas, for example in relation to teaching, health and safety, compliance and school trips, and in relation to the control of finance. They have introduced systems, including operational procedures and internal financial controls in order to minimise risk. Where significant financial risk still remains, they have ensured that they have adequate insurance cover. The Academy Trust has an effective system of internal financial controls and this is explained in more detail in the statement below.

The principal risks and uncertainties that face the Trust are considered to be:

- Changes in government legislation, particularly with regard to funding
- Failure of ICT, including back up procedures and cyber security
- Failure to recruit and retain staff
- GDPR breach
- Lack of data management and scrutiny leading to underperforming academies
- Rising energy costs and general inflation
- A significant drop in pupil numbers

Financial and risk management objectives and policies

The Trust's dealings with financial instruments are limited to bank accounts, creditors and debtors. This limitation serves to minimise credit and liquidity risks when this is combined with the nature the Trust's debtors (being principally Government bodies and other schools) and therefore the risk to cash flow is also minimal.

Plans for Future Periods

Castleford Academy Trust's three year strategic plan outlines the main future areas of focus, success criteria, and actions that will ensure we meet our vision, work within our values and achieve our aims. Please find these below:

Key Objective 1 - School Improvement

To maintain and improve the standard of educational achievement for all pupils resulting in strong academic success and improved life chances.

We will:

- Embed the Castleford Academy Trust vision and values in to the day to day operations of each academy, ensuring all pupils overcome barriers to learning, have high aspirations for themselves and are well prepared for the next stage of their education and beyond.
- Raise attainment and improve progression for all pupils through a knowledge rich and well planned curriculum that fills gaps in knowledge so that pupils know more, remember more and can do more.
- Ensure high quality, evidence based professional development is at the centre of staff development in order to ensure that all staff have the right skills and knowledge to further raise standards, deliver high quality teaching and learning and disseminate best practice to ensure rapid improvement.
- Embed outstanding leadership at all levels through effective quality assurance systems and structures that drive continuous improvement by supporting all staff to build their expertise and strengthen provision.
- Ensure reading is valued and placed at the heart of the curriculum so that all pupils are fluent and read with understanding.
- Develop a culture of high aspirations, tolerance and respect where pupils will demonstrate positive attitudes to learning through effective self-regulation and high standards of behaviour.

Key Objective 2 - Positive Impact on the community

To build thriving and caring communities where challenge and support enables success.

We will:

- Deliver an ambitious, knowledge rich curriculum that ensures all pupils develop the skills and cultural capital they need to be highly successful citizens who make a positive contribution to society.
- Ensure our academies work together for the benefit of the communities they serve by supporting pupils and their family to remove any potential barriers to learning allowing pupils to thrive and achieve their potential.
- Value the role of effective governance and recognise the contribution that they make in reflecting the views of the local community.
- Enrich the lives of the local community through offering a rich and diverse range of experiences to broaden pupils' understanding of the wider world.
- Prioritise the wellbeing of everyone in our communities by working in collaboration with, pupils, parents, staff, local safeguarding partners, and external sources of support to develop and implement strong effective procedures which promote the well-being of staff, pupils and their families.

Key Objective 3 - To build a strong and sustainable infrastructure

To deliver outstanding central services to enable school leaders to focus on their core educational purpose.

We will:

- Develop a robust estates strategy that supports the strategic aims of the Trust and, through the effective deployment of resources, resulting in first class learning environments for all pupils.
- Improve co-operation, access and stability across the Trust through becoming more digitally efficient whilst remaining vigilant and continuing to improve our resilience to cyber-attack, resulting in systems that support pupil and staff development.
- Continue to build and deliver digital solutions to support staff to work more efficiently and enhance the educational provision for all pupils.
- Work towards becoming a carbon neutral Trust through a low carbon energy infrastructure, reducing waste, improving efficiency and the through resilience of the estate.
- Remain aware of risks and pro-active in our approach to risk management resulting in a Trust that is competitive, innovative and resilient.

Castleford Academy Trust
Trustees' Report
For The Year Ended 31 August 2023

Key Objective 4 - To continue to remain financially secure.

Ensure effective integrated curriculum led financial planning and sound financial management controls enabling further development of school improvement strategies.

We will:

- Effectively implement consistent practice and policy, together with rigorous QA measures, to ensure maximum efficiencies are achieved in order to provide the highest quality learning environment for all pupils.
- Ensure that efficiencies in the financial systems directly impact on academy improvement to maximise pupil progress and attainment.
- Ensure full compliance with the ESFA Academy Trust Handbook providing an overarching framework for implementation of effective financial management and control.
- Aim to achieve and maintain sufficient reserves across the Trust, to ensure that the Trust continues to be recognised by the ESFA as financially secure with effective financial management.

Key Objective 5 - To grow the number of academies in the Trust

The government's vision is for every school to be part of a strong academy trust. As we work towards this ambition we feel a sense of responsibility and obligation to grow Castleford Academy Trust to advance education benefit for more pupils and their communities. Our intention is to create a network of good and outstanding academies that 'work together to achieve excellence for all'.

We will:

- Build a strong model of school improvement which leads to improved progress and outcomes for pupils.
- Hold a clear vision for our workforce, including professional development and managing workload and wellbeing so that we become the employer of choice.
- Ensure strong and effective governance that is highly skilled to effectively adapt to the increased responsibilities of Trust expansion.
- Continue to help schools to grow together by strengthening school to school support within the Trust and beyond. Develop and maintain excellent relationships with other local schools who may, in the future, choose to join the Trust.
- Be committed to measured and responsible growth to share the 'Castleford Academy Trust' offer as widely as possible to benefit children in our extended community.
- Ensure that Trust capacity is such that all academies within the Trust receive the support, challenge, development and leadership support they need without diminishing the core success within existing structures.
- Recognise each academy will have its own unique context and as a result, consider requests to join on an individual basis, taking into account the context of the academy, including its effectiveness and size will shape future growth. Ensure the growth strategy is reviewed as each new school joins.

Key Objective 6 - Lead, develop and care for the people in our Trust

Continue to be a community focussed organisation and employer of choice with the spirit of partnership, recruiting, retaining and developing a high calibre workforce.

We will:

- Continue to be outward facing, working in partnership with those within and beyond the Trust to build sustainable success through the passion, knowledge and aspirations of others.
- Recruit highly skilled staff and provide career progression pathways supported through a structured trust wide professional development strategy.
- Provide a range of staff development opportunities, partnerships and support to develop staff skills, talents and expertise, within their own academy, across the Trust and across the wider education system.
- Continue to develop an HR service that is underpinned by evaluation, reflective practice and a desire, as an outstanding employer, to continually improve by embracing new developments to enhance the workforce and their effectiveness.
- Respect and value our workforce by providing all staff with a health and wellbeing offer which is proactive, preventative and provides high quality care and expertise.
- Continue to respect the equal rights, thoughts, feelings and ambitions of every member of our team. Respect the differences of others, promote equality, understanding and tolerance and fulfil our obligations under the equality act as a school and as an employer.
- Value the opportunity to work openly together in achieving our individual and common goals and aspirations; value honesty and professionalism when facing and overcoming challenges.

The intensity measure we are using as a trust assessed the Tonnes of CO₂e emitted per pupil and in our accounts for 2021 - 2022 the intensity ration was:

Measures taken to improve energy efficiency

Installing LED lighting across the trust has been our first priority. The next action is to address multiple life expired boilers. We have secured funding from the Public Sector Decarbonisation Scheme to develop standalone detailed designs from pre-existing heat decarbonisation plans so that they can be progressed further. Castleford Academy and Glasshoughton Infants Academy have been prioritised for the DfE School Rebuild Programme, currently expected to enter delivery from April 2025. The results of which will be school buildings that are net-zero carbon in operation.

Castleford Academy Trust

Governance Statement
For The Year Ended 31 August 2023

Scope of Responsibility

As Trustees, we acknowledge we have overall responsibility for ensuring that Castleford Academy Trust has an effective and appropriate system of control, financial and otherwise. However, such a system is designed to manage rather than eliminate the risk of failure to achieve business objectives, and can provide only reasonable and not absolute assurance against material misstatement of loss.

As Trustees, we have reviewed and taken account of the guidance in the DfE's Governance Handbook and competency framework for governance. The trust board has delegated the day-to-day responsibility to the Chief Executive Officer, as Accounting Officer, for ensuring financial controls conform with the requirements of both propriety and good financial management and in accordance with the requirements and responsibilities assigned to it in the funding agreement between Castleford Academy Trust and the Secretary of State for Education. They are also responsible for reporting to the board of trustees any material weaknesses or breakdowns in internal control.

Registers of interest are maintained and regularly reviewed by executive leaders and Trustees in line with statutory guidance, in order to effectively manage any potential conflicts of interest.

The Trust Board is responsible for ensuring clarity of vision, ethos and strategic direction, holding executive leaders to account for the educational performance of the organisation and its pupils, and the performance management of staff and overseeing and ensuring effective financial performance.

Finance, Risk and Audit Committee

The Finance, Risk & Audit Committee is a sub-committee of the main Board of Trustees. Its purpose is to monitor the integrity of the financial statements, monitor the financial performance of the Trust; to ensure that the Trust complies with the Academy Trust Handbook; to authorise spending within the limits laid out within the financial authorities; to oversee the annual budgeting and the medium-term financial plan; to recommend or otherwise the statutory accounts for Board approval, to oversee the effectiveness of governance arrangements, internal control and risk management systems and to review the internal and external audit services. It also gives recommendations to the Trust Board where it considers that action and improvement are needed.

Local Governing Bodies

The Trustees delegate the responsibilities to challenge and support the quality of provision and educational outcomes for pupils to the Local Governing Body (LGB) at each academy. In addition, The LGB are also responsible for complaints, disciplinary and exclusion panels as required in line with trust/academy policy. LGB's are appointed by the Trust Board.

Local governing bodies are ambassadors for the Trust ensuring clarity of vision and ethos. They support the effective operation of the trust and its policies by working alongside executive leaders to monitor academy performance against the academy development plan. Each local governing body has a governor development plan in place which is reviewed twice annually.

Castleford Academy Trust

Governance Statement
For The Year Ended 31 August 2023

The local governing body is supported by an Education and Standards local governing body committee. This committee work alongside executive leaders to monitor academy performance against the academy development plan and targets by reviewing and challenging Headteacher updates and data analysis.

Governors receive a comprehensive induction process when they join the local governing body.

Annually, the trust board completes a self-assessment review of governance and routinely commissions an independent external review of governance. The self-assessment includes reviewing the effectiveness of governance by assessing the trust board, its committees performance (including LGB) and the contribution of individuals in those teams, including the chair. The annual governance evaluation typically considers the impact of the boards as well as how the balance of skills, experience and knowledge, its diversity and how the board works together impact on its overall effectiveness. An annual governance skills audit and training programme ensures those responsible for governance have suitable expertise and professional development to ensure clarity of vision, to provide strategic direction and to hold trust leaders to account.

The Trust Board has commissioned its next calendared external review of governance in 2023-2024.

The latest annual internal self-assessment (2022-2023) noted the following strengths and next steps for development:

Strengths

- The trust board is a committed team that works well with the trust's executive leader and governance professional. They have the time required to carry out the role, meetings are well attended and they undertake training and development and visit academies within the trust.
- The chair and vice chair are appointed annually following a proper process. The chair and vice chair leads with integrity and ensures governance stays strategic. An appraisal process is used to evaluate the chairs effectiveness, and the chair reviews individual trustees contributions and effectiveness each year. An external review of governance takes place routinely.
- The governance professional is qualified, up to date with current legislation and practise, administers and advises governance across the trust with skill, ensuring good communication pathways between the governance layers.
- A skills audit takes place regularly and the outcome of this informs succession planning, recruitment strategy and training and development.
- All new governance members receive a comprehensive induction and access quality training and development.
- The majority of members are not trustees, in general trustees do not sit on academy committees.
- The trust board is the right size with a proportionate committee structure. There is the right number of people around the table to undertake its strategic functions and to enable delegation to the committees.
- The academy trust is committed to local governance and is prepared to give the time necessary to engage with the local tier and ensure the governance professional has the time and skill to support governance across the trust.
- The trust values are long established and drive ethical behaviour and a healthy culture.
- Trustees and leaders have established a clear and ambitious vision which describes what the trust should look like in three years and what pupils will achieve. The board has worked with the CEO and has consulted with stakeholders to establish this vision. Trustees have agreed with the executive leader a limited number of measurable strategic aims which need to be met in order to achieve this vision. Progress of these aims are reported at board meetings regularly.
- The trust board acknowledges its responsibilities as employer of trust staff and ensures the development and wellbeing of the executive leaders. Staff wellbeing and development is a priority for the board. They ensure trust wide staff surveys take place regularly and are reported and use the data to monitor the effectiveness of the trust policies.
- Trustees and those responsible for governance hold executive leaders to account for the quality of education that pupils receive, ensuring academy leaders develop, implement and deliver a broad and balanced curriculum. All governance members have training on curriculum matters and have a good understanding of the principles that underpin a good curriculum and how the trust measures its implementation and impact. They monitor the overall quality of education across the trust academies, including the outcomes for pupils and progress against academy development plan and targets.
- Trustees understand how the trusts funds are managed and hold the executive leader to account for the efficiency, sustainability and impact if the trusts financial planning and management. The trust board has a good understanding of how schools are funded and how the trust manages this funding; several of the board members have detailed knowledge of planning and monitoring of consolidated budgets.

Castleford Academy Trust

Governance Statement For The Year Ended 31 August 2023

- Trust governance members know their academies, their communities and stakeholders and takes into account their views when making key decisions; this is reporting on.
- Trustees are confident that the trust meets all legal requirements, are compliant with policies and procedures and takes into account statutory guidance, including on conflicts of interest and related party transactions.
- Trustees are involved in the identification and assessment of key strategic risks.
- Trustees are confident that the decisions the board and committees make have led to both improved outcomes from pupils and ongoing financial stability for the trust. Pupil outcomes continue to improve and meet the highest expectations and the trust's budget is balanced with a reasonable contingency.

Next steps

- To enhance further a more diverse governance board, who ensure sufficient challenge on behalf of all stakeholders and who contribute more widely to the strategic leadership of the trust by providing a connectedness between each academy and the community they serve.
- To improve communication with relevant committees regarding how the trust board identifies, evaluates and manages key strategic risks.
- To enhance further how governance boards take into account stakeholders views when making key decisions.

Review of Value for Money

As accounting officer, the CEO of Castleford Academy Trust has responsibility for ensuring that the academy trust delivers good value in the use of public resources. The accounting officer understands that value for money refers to the educational and wider societal outcomes, as well as estates safety and management, achieved in return for the taxpayer resources received.

The accounting officer considers how the academy trust's use of its resources has provided good value for money during each academic year and reports to the board of trustees where value for money can be improved, including the use of benchmarking data or by using a framework where appropriate. The accounting officer for the academy trust has delivered improved value for money during the year by:

Educational Outcomes: Academic performance at Castleford Academy, Glasshoughton Infant Academy, and Castleford Park Junior is significantly above national standards, with performance in the top 25% of schools nationally. Academic performance at Three Lane Ends Academy and Crofton Academy is largely in line with national averages, reflecting their journey of school improvement since joining the Trust.

Academy Effectiveness: The Trust School Improvement Strategy has led to all Trust academies being externally evaluated by Ofsted as 'good' or better in their most recent Ofsted inspections for overall effectiveness, leadership and management, behaviour and attitudes, personal development, and the quality of education, with effective safeguarding arrangements in place. The evaluation highlights the strengths in provision and value for money across each academy and the Trust community.

Shared capacity and expertise: Trust leaders facilitate the deployment of system leaders and staff across Trust academies to maximise school improvement.

Integrated Curriculum and Financial Planning: Trust leaders work with each academy to complete a management process that helps to plan the best curriculum for pupils with the funding that is available. ICFP involves measuring the curriculum, staffing structure, and finances and using the data to create an action plan to make efficiencies to staffing levels as required.

Budgetary Control: The Trust has tight budgetary control, with regular budget meetings held with the headteachers of the academies and the executive team. The Finance, Risk, and Audit Committee is provided with detailed variance analysis reports and outturn forecasts, along with key performance indicators.

Purchasing: Seeking opportunities through consolidated purchasing agreements, particularly the use of DfE-recommended national frameworks and local framework agreements. Wherever possible, contracts are entered into on a trust basis to take advantage of economies of scale and obtain the best value through joint procurement. In this academic year, the Trust negotiated a number of contracts, including utilities, school management information systems, and Microsoft licences, and has made savings on trust contracts for printing and broadband services.

The Purpose of the System of Internal Control

The system of internal control is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives. It can therefore only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an on-going process designed to identify and prioritise the risks to the achievement of academy trust policies, aims and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically. The system of internal control has been in place in Castleford Academy Trust for the period 1 September 2022 to 31 August 2023 and up to the date of approval of the annual report and financial statements.

Governance Statement
For The Year Ended 31 August 2023

Capacity to Handle Risk

The board of trustees has reviewed the key risks to which the academy trust is exposed together with the operating, financial and compliance controls that have been implemented to mitigate those risks. The board of trustees is of the view that there is a formal on-going process for identifying, evaluating and managing the academy trust's significant risks that has been in place for the period 1 September 2022 to 31 August 2023 and up to the date of approval of the annual report and financial statements. This process is regularly reviewed by the board of trustees.

The Risk and Control Framework

The academy trust's system of internal financial control is based on a framework of regular management information and administrative procedures including the segregation of duties and a system of delegation and accountability. In particular, it includes:

- comprehensive budgeting and monitoring systems with an annual budget and periodic financial reports which are reviewed and agreed by the board of trustees;
- regular reviews by the finance, risk and audit committee of reports which indicate financial performance against the forecasts and of major purchase plans, capital works and expenditure programmes;
- setting targets to measure financial and other performance;
- clearly defined purchasing (asset purchase or capital investment) guidelines;
- identification and management of risks.

The board of trustees has considered the need for a specific internal audit function and appointed Wylie & Bisset LLP as internal auditor. The internal auditor's role includes giving advice on financial and other matters and performing a range of checks on the Trust's financial and other systems. The checks that Wylie & Bisset carried out in the current period included:

- Testing of business continuity processes;
- Testing of data protection processes;
- Testing of HR processes including recruitment;
- Follow up review of previous recommendations from previous academic years.

The schedule of work was delivered as planned and there were no significant control issues arising as a result of the internal auditor's work. Following each review, Wylie & Bisset have reported to the board of trustees, through the Finance, Risk and Audit Committee on the operation of the systems of control and on the discharge of the board of trustees' financial responsibilities. On an annual basis, Wylie & Bisset prepare a summary report to the committee outlining the areas reviewed, key findings, recommendations and conclusions to help the committee consider actions and assess year on year progress.

Trustees also continued with the services of specialist audit functions as required. In this financial year, the Trustees continued to employ the services of a Health & Safety company, PiB Ltd to fulfil the role of Competent Person.

Governance Statement
For The Year Ended 31 August 2023

Review of Effectiveness

As accounting officer the Chief Executive Officer has responsibility for reviewing the effectiveness of the system of internal control. During the year in question the review has been informed by:

- the work of the internal auditor
- the work of the external auditor;
- the financial management and governance self-assessment process of the school resource management self-assessment tool;
- the work of the executive managers within the academy trust who have responsibility for the development and maintenance of the internal control framework.

The accounting officer has been advised of the implications of the result of their review of the system of internal control by the Finance, Risk and Audit Committee and a plan to ensure continuous improvement of the system is in place.

Castleford Academy Trust

Statement on Regularity, Propriety and Compliance
For The Year Ended 31 August 2023

As accounting officer of Castleford Academy trust I have considered my responsibility to notify the academy trust board of trustees and the Education and Skills Funding Agency (ESFA) of material irregularity, impropriety and non-compliance with terms and conditions of all funding, including for estates safety and management, under the funding agreement between the academy trust and Secretary of State for Education. As part of my consideration I have had due regard to the requirements of the Academy Trust Handbook 2022, including responsibilities for estates safety and management.

I confirm that I and the academy trust board of trustees are able to identify any material irregular or improper use of all funds by the academy trust, or material non-compliance with the terms and conditions of funding under the academy trust's funding agreement and the Academy Trust Handbook 2022.

I confirm that no instances of irregularity, impropriety or funding non-compliance have been discovered to date. If any instances are identified after the date of this statement, these will be notified to the board of trustees and ESFA.

Statement of Trustees' Responsibilities
For The Year Ended 31 August 2023

The trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for preparing the Trustees' Report and the financial statements in accordance with the Annual Accounts Direction issued by the Education and Skills Funding Agency, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

Company law requires the trustees to prepare financial statements for each financial year. Under company law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing those financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP 2019 and the Academies Accounts Direction 2022 to 2023;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for ensuring that in its conduct and operation the charitable company applies financial and other controls, which conform with the requirements both of propriety and of good financial management. They are also responsible for ensuring grants received from the ESFA/DfE have been applied for the purposes intended.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Report of the Independent Auditors to the Members of Castleford Academy Trust

Opinion

We have audited the financial statements of Castleford Academy Trust (the 'academy trust') for the year ended 31 August 2023 which comprise the Statement of Financial Activities, the Balance Sheet, the Cash Flow Statement and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and the Accounts Direction 2022 to 2023 issued by the Education and Skills Funding Agency (ESFA).

In our opinion the financial statements:

- give a true and fair view of the state of the academy trust's affairs as at 31 August 2023 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- have been prepared in accordance with the requirements of the Companies Act 2006; and
- have been prepared in accordance with the Charities SORP 2019 and Academies Accounts Direction 2022 to 2023.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the academy trust in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the academy trust's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information

The trustees are responsible for the other information. The other information comprises the information included in the Annual Report, other than the financial statements and our Report of the Independent Auditors thereon.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Trustees' Report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Trustees' Report has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the academy trust and its environment obtained in the course of the audit, we have not identified material misstatements in the Trustees' Report.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Report of the Independent Auditors to the Members of Castleford Academy Trust

Responsibilities of trustees

As explained more fully in the Statement of Trustees' Responsibilities, the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the academy trust's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the academy trust or to cease operations, or have no realistic alternative but to do so.

Our responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a Report of the Independent Auditors that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

The work undertaken to draw to our conclusion includes:

- Enquiry of management around actual and potential litigation claims and fraud;
- Enquiry of management and review of correspondence to identify any instances of non-compliance with laws and regulations
- Reviewing trustee meeting minutes
- Reviewing financial statement disclosures and testing to support documentation to assess compliance with applicable laws and regulations.
- Performing audit work over the risk of management override of controls, including testing of journal entries and other adjustments for appropriateness, testing income to supporting records, evaluating the business rationale of significant transactions outside the normal course of business and reviewing accounting estimates for bias.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our Report of the Independent Auditors.

Use of our report

This report is made solely to the academy trust's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the academy trust's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the academy trust and the academy trust's members as a body, for our audit work, for this report, or for the opinions we have formed.

**Independent Reporting Accountant's Assurance Report on Regularity to
Castleford Academy Trust and the Education and Skills Funding Agency**

In accordance with the terms of our engagement letter dated 14 July 2022 and further to the requirements of the Education and Skills Funding Agency (ESFA), as included in the Academies Accounts Direction 2022 to 2023, we have carried out an engagement to obtain limited assurance about whether the expenditure disbursed and income received by Castleford Academy Trust during the period 1 September 2022 to 31 August 2023 have been applied to the purposes identified by Parliament and the financial transactions conform to the authorities which govern them.

This report is made solely to Castleford Academy Trust and the ESFA in accordance with the terms of our engagement letter. Our work has been undertaken so that we might state to Castleford Academy Trust and the ESFA those matters we are required to state in a report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than Castleford Academy Trust and the ESFA, for our work, for this report, or for the conclusion we have formed.

Respective responsibilities of Castleford Academy Trust's accounting officer and the reporting accountant

The accounting officer is responsible, under the requirements of Castleford Academy Trust's funding agreement with the Secretary of State for Education and the Academy Trust Handbook, extant from 1 September 2022, for ensuring that expenditure disbursed and income received is applied for the purposes intended by Parliament and the financial transactions conform to the authorities which govern them.

Our responsibilities for this engagement are established in the United Kingdom by our profession's ethical guidance and are to obtain limited assurance and report in accordance with our engagement letter and the requirements of the Academies Accounts Direction 2022 to 2023. We report to you whether anything has come to our attention in carrying out our work which suggests that in all material respects, expenditure disbursed and income received during the period 1 September 2022 to 31 August 2023 have not been applied to purposes intended by Parliament or that the financial transactions do not conform to the authorities which govern them.

Approach

We conducted our engagement in accordance with the Academies Accounts Direction 2022 to 2023 issued by the ESFA. We performed a limited assurance engagement as defined in our engagement letter.

The objective of a limited assurance engagement is to perform such procedures as to obtain information and explanations in order to provide us with sufficient appropriate evidence to express a negative conclusion on regularity.

A limited assurance engagement is more limited in scope than a reasonable assurance engagement and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in a reasonable assurance engagement. Accordingly, we do not express a positive opinion.

Our engagement includes examination, on a test basis, of evidence relevant to the regularity and propriety of the academy trust's income and expenditure.

The work undertaken to draw to our conclusion includes:

- Enquiry of officers of the academy
- Review and testing of income and expenditure for compliance with the funding and other agreements, the Academy Trust Handbook and the academy's system of controls
- Examination of relevant documents
- Review of the activities carried out by the academy
- Review of the delegated authorities set out in the Academy Trust Handbook
- Review of governance arrangements in accordance with the Academy Trust Handbook.

Independent Reporting Accountant's Assurance Report on Regularity to
Castleford Academy Trust and the Education and Skills Funding Agency

Conclusion

In the course of our work, nothing has come to our attention which suggests that in all material respects the expenditure disbursed and income received during the period 1 September 2022 to 31 August 2023 has not been applied to purposes intended by Parliament and the financial transactions do not conform to the authorities which govern them.

Notes to the Financial Statements
For The Year Ended 31 August 2023

1. STATEMENT OF ACCOUNTING POLICIES

A summary of the principal accounting policies adopted (which have been applied consistently, except where noted), judgements and key sources of estimation uncertainty, is set out below.

2. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the academy trust, which is a public benefit entity under FRS 102, have been prepared under the historical cost convention in accordance with the Financial Reporting Standard Applicable in the UK and Republic of Ireland (FRS 102), the Accounting and Reporting by Charities: Statement of Recommended Practice applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)), the Academies Accounts Direction 2022 to 2023 issued by the ESFA, the Charities Act 2011 and the Companies Act 2006.

Going concern

The trustees assess whether the use of going concern is appropriate i.e. whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the company to continue as a going concern. The trustees make this assessment in respect of a period of at least one year from the date of authorisation for issue of the financial statements and have concluded that the academy trust has adequate resources to continue in operational existence for the foreseeable future and there are no material uncertainties about the academy trust's ability to continue as a going concern, thus they continue to adopt the going concern basis of accounting in preparing the financial statements.

Income

All income is recognised in the Statement of Financial Activities once the academy trust has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Grants

Grants are included in the Statement of Financial Activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the balance sheet. Where income is received in advance of meeting any performance-related conditions there is not unconditional entitlement to the income and its recognition is deferred and included in creditors as deferred income until the performance-related conditions are met. Where entitlement occurs before income is received, the income is accrued.

General Annual Grant is recognised in full in the Statement of Financial Activities in the year for which it is receivable and any abatement in respect of the period is deducted from income and recognised as a liability.

Capital grants are recognised in full when there is an unconditional entitlement to the grant. Unspent amounts of capital grants are reflected in the balance sheet in the restricted fixed asset fund. Capital grants are recognised when there is entitlement and are not deferred over the life of the asset on which they are expended.

Donations

Donations are recognised on a receivable basis (where there are no performance related conditions), where it is probable that the income will be received and the amount can be measured reliably.

Other income

Other income including the hire of facilities, is recognised in the period it is receivable and to the extent the academy trust has provided the goods or services.

Donated goods, facilities and services

Goods donated for resale are included at fair value, being the expected proceeds from sale less the expected costs of sale. If it is practical to assess the fair value at receipt, it is recognised in stock and 'Income from other trading activities'. Upon sale, the value of the stock is charged against 'Income from other trading activities' and the proceeds are recognised as 'Income from other trading activities'. Where it is impractical to fair value the items due to the volume of low value items they are not recognised in the financial statements until they are sold. This income is recognised within 'Income from other trading activities'.

2. ACCOUNTING POLICIES - continued

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the academy trust to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Raising funds

Raising funds includes all expenditure incurred by the academy trust to raise funds for its charitable purposes and includes costs of all fundraising activities, events and non-charitable trading.

Charitable activities

Costs of charitable activities are incurred on the academy trust's educational operations, including support costs and costs relating to the governance of the academy trust apportioned to charitable activities.

Tangible fixed assets

Assets costing £1,000 or more are capitalised as tangible fixed assets and are carried at cost, net of depreciation and any provision for impairment.

Where tangible fixed assets have been acquired with the aid of specific grants, either from the government or from the private sector, they are included in the Balance Sheet at cost and depreciated over their expected useful economic life. Where there are specific conditions attached to the funding requiring the continued use of the asset, the related grants are credited to a restricted fixed asset fund in the Statement of Financial Activities and carried forward in the Balance Sheet. Depreciation on such assets is charged to the restricted fixed asset fund in the Statement of Financial Activities so as to reduce the fund over the useful economic life of the related asset on a basis consistent with the academy trust's depreciation policy.

Depreciation is provided on all tangible fixed assets, at rates calculated to write off the cost of each asset over its expected useful life, as follows:

Leasehold land	Over 125 years, the term of the lease
Leasehold buildings	2% straight line
Furniture and equipment	25% reducing balance
Computer equipment	25% straight line
Motor Vehicles	25% reducing balance

Assets in the course of construction are included at cost. Depreciation on these assets is not charged until they are brought into use.

A review for impairment of a fixed asset is carried out if events or changes in circumstances indicate that the carrying value of any fixed asset may not be recoverable. Shortfalls between the carrying value of fixed assets and their recoverable amounts are recognised as impairments. Impairment losses are recognised in the Statement of Financial Activities.

Financial instruments

The academy trust only holds basic financial instruments as defined by FRS102. The financial assets and financial liabilities of the academy trust and their measurement basis are as follows:

Financial assets - trade and other debtors are basic financial instruments and are debt instruments measured at amortised cost as detailed in note 18. Prepayments are not financial instruments.

Cash at bank - is classified as a basic financial instrument and is measured at face value.

Notes to the Financial Statements - continued
For The Year Ended 31 August 2023

2. ACCOUNTING POLICIES - continued

Financial instruments

Financial liabilities - trade creditors, accruals and other creditors are financial instruments, and are measured at amortised cost as detailed in notes 19. Taxation and social security are not included in the financial instruments disclosure definition. Deferred income is not deemed to be a financial liability, as the cash settlement has already taken place and there is an obligation to deliver services rather than cash or another financial instrument.

Stocks

Unsold uniforms are valued at the lower of cost or net realisable value.

Taxation

The academy trust is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the academy trust is potentially exempt from taxation in respect of income or capital gains received within categories covered by part 11, chapter 3 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

Fund accounting

Unrestricted income funds represent those resources which may be used towards meeting any of the charitable objectives of the academy trust at the discretion of the trustees.

Restricted fixed asset funds are resources which are to be applied to specific capital purposes imposed by funders where the asset acquired or created is held for a specific purpose.

Restricted general funds comprise all other restricted funds received with restrictions imposed by the funder/donor and include grants from the Education Funding Agency/Department for Education.

Pension costs and other post-retirement benefits

Retirement benefits to employees of the academy trust are provided by the Teachers' Pension Scheme ('TPS') and the Local Government Pension Scheme ('LGPS'). These are defined benefit schemes and the assets are held separately from those of the academy trust.

The TPS is an unfunded scheme and contributions are calculated so as to spread the cost of pensions over employees' working lives with the academy trust in such a way that the pension cost is a substantially level percentage of current and future pensionable payroll. The contributions are determined by the Government Actuary on the basis of quinquennial valuations using a prospective benefit method. As stated in Pension and Similar Obligations note, the TPS is a multi employer scheme and the academy trust is unable to identify its share of the underlying assets and liabilities of the scheme on a consistent and reasonable basis. The TPS is therefore treated as a defined contribution scheme and the contributions recognised as they are paid each year.

The LGPS is a funded scheme and the assets are held separately from those of the academy trust in separate trustee administered funds. Pension scheme assets are measured at fair value and liabilities are measured on an actuarial basis using the projected unit method and discounted at a rate equivalent to the current rate of return on a high quality corporate bond of equivalent term and currency to the liabilities. The actuarial valuations are obtained at least triennially and are updated at each balance sheet date. The amounts charged to operating surplus are the current service costs and gains and losses on settlements and curtailments. They are included as part staff costs. Past service costs are recognised immediately in the Statement of Financial Activities if the benefits have vested. If the benefits have not vested immediately, the costs are recognised over the period until vesting occurs. The expected return on assets and the interest cost are shown as a net finance amount of other finance costs or credits adjacent to interest. Actuarial gains and losses are recognised immediately in other gains and losses.

Under FRS102 a pension scheme surplus should only be recognised to the extent that the surplus can be recovered through reduced future contributions or through refunds from the plan. However, in the opinion of the trustees, a pension scheme surplus should always be recognised in order to provide consistency and give a true and fair view.

Liabilities

Liabilities are recognised when there is an obligation at the balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Liabilities are recognised at the amount that the academy trust anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Notes to the Financial Statements - continued
For The Year Ended 31 August 2023

2. ACCOUNTING POLICIES - continued

Investment

The academy's shareholding in the wholly owned subsidiary, Castleford Academy Trading Limited, is included in the balance sheet at the cost of the share capital owned less any impairment. There is no readily available market value and the cost of valuation exceeds the benefit derived. As the company is dormant as is considered immaterial, it has not been consolidated into the financial statements of Castleford Academy Trust.

Other investments are included in the balance sheet at their fair value. Any gain or loss on revaluation is included in the Statement of Financial Activities.

Provisions

Provisions are recognised when the academy trust has an obligation at the reporting date as a result of a past event which it is probable will result in the transfer of economic benefits and the obligation can be estimated reliably.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised within interest payable and similar charges.

Leased assets

Rentals under operating leases are charged on a straight line basis over the lease term.

Critical accounting estimates and areas of judgement

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Critical accounting estimates and assumptions

The academy trust makes estimates and assumptions concerning the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

The present value of the Local Government Pension Scheme defined benefit liability depends on a number of factors that are determined on an actuarial basis using a variety of assumptions. The assumptions used in determining the net cost (income) for pensions include the discount rate. Any changes in these assumptions, which are disclosed in note 22, will impact the carrying amount of the pension liability. Furthermore a roll forward approach which projects results from the latest full actuarial valuation performed at 31 March 2019 has been used by the actuary in valuing the pensions liability at 31 August 2023. Any differences between the figures derived from the roll forward approach and a full actuarial valuation would impact on the carrying amount of the pension liability.

There is a large actuarial gain this year due to the effects of the significant change in the discount rate outweighing the effects of lower asset returns and increased inflation assumptions.

The detailed assumptions for this and the prior year are disclosed in note 22. Despite the current high inflationary environment, the CPI assumption has decreased from 2.7% to 2.6%.

The Accounting Standard prescribes quite narrowly how the inflation assumption should be derived from market value at the year-end date. Therefore the current period of high inflation is somewhat allowed for insofar as it is captured in long-term market expectations as at 31 August 2023, but is lower than the current annual rate of inflation.

Hence although inflation estimates are over the long term, if the current period of high inflation continues for a longer period than forecast in the 31 August 2023 assumptions, this will result in a future actuarial deficit.

Redundancy payments

Redundancy costs arising from periodic reviews of staff levels are charged against profit in the year in which employees leave the company. Details can be found in the wages and salaries note 10.

11. RELATED PARTY TRANSACTIONS - TRUSTEES' REMUNERATION AND EXPENSES

The Principal and staff trustees only receive remuneration in respect of services they provide undertaking the roles of Principal and staff, and not in respect of their services as trustees. Other trustees did not receive any payments, other than expenses, from the academy in respect of their role as trustees. The value of trustees' remuneration was as follows:

G Panayiotou (CEO and trustee)

Remuneration £130,000 - £140,000 (2022: £130,000 - £140,000)

Employer's pension contributions £30,000 - £35,000 (2022: £30,000 - £35,000)

12. TRUSTEES' AND OFFICERS' INSURANCE

In accordance with normal commercial practice the academy has purchased insurance to protect trustees and officers from claims arising from negligent acts, errors or omissions occurring whilst on academy business. The insurance provides cover up to £10,000,000 on any one claim. The cost of this insurance is included in the total insurance cost but is not separately identifiable,

22. PENSION AND SIMILAR OBLIGATIONS

The academy trust's employees belong to two principal pension schemes: the Teachers' Pension Scheme England and Wales (TPS) for academic and related staff; and the Local Government Pension Scheme (LGPS) for non-teaching staff, which is managed by West Yorkshire Pension Fund. Both are multi-employer defined benefit schemes.

The latest actuarial valuation of the TPS related to the period ended 31 March 2016 and of the LGPS to the period ended 31 March 2019.

There were no outstanding or prepaid contributions at either the beginning or the end of the financial year.

Teachers' pension scheme

The Teachers' Pension Scheme (TPS) is a statutory, contributory, defined benefit scheme, governed by the Teachers' Pension Scheme Regulations 2014. Membership is automatic for teachers in academies. All teachers have the option to opt-out of the TPS following enrolment.

The TPS is an unfunded scheme to which both the member and employer makes contributions, as a percentage of salary - these contributions are credited to the Exchequer. Retirement and other pension benefits are paid by public funds provided by Parliament.

Notes to the Financial Statements - continued
For The Year Ended 31 August 2023

22. PENSION AND SIMILAR OBLIGATIONS - continued

Valuation of the teachers' pension scheme

The Government Actuary, using normal actuarial principles, conducts a formal actuarial review of the TPS in accordance with the Public Service Pensions (Valuations and Employer Cost Cap) Directions 2014 published by HM Treasury every 4 years. The aim of the review is to specify the level of future contributions. Actuarial scheme valuations are dependent on assumptions about the value of future costs, design of benefits and many other factors. The latest actuarial valuation of the TPS was carried out as at 31 March 2016. The valuation report was published by the Department for Education on 5 March 2019. The key elements of the valuation and subsequent consultation are:

- employer contribution rates set at 23.68% of pensionable pay (including a 0.08% administration levy)
- total scheme liabilities (pensions currently in payment and the estimated cost of future benefits) for service to the effective date of £218,100 million and notional assets (estimated future contributions together with the notional investments held at the valuation date) of £196,100 million, giving a notional past service deficit of £22,000 million
- the SCAPE rate, set by HMT, is used to determine the notional investment return. The current SCAPE rate is 2.4% above the rate of CPI. The assumed real rate of return is 2.4% in excess of prices and 2% in excess of earnings. The rate of real earnings growth is assumed to be 2.2%. The assumed nominal rate of return including earnings growth is 4.45%.

The next valuation result is due to be implemented from 1 April 2024.

The employer's pension costs paid to TPS in the period amounted to £2,525,723 (2022 - £2,352,000).

A copy of the valuation report and supporting documentation is on the Teachers' Pensions website.

Under the definitions set out in FRS 102, the TPS is an unfunded multi-employer pension scheme. The academy trust has accounted for its contributions to the scheme as if it were a defined contribution scheme. The academy trust has set out above the information available on the scheme.

Local government pension scheme

The LGPS is a funded defined benefit pension scheme, with the assets held in separate trustee-administered funds.

The total contribution made for the year ended 31 August 2023 was £1,196,000 (2022: £966,000), of which employer's contributions totalled £885,000 (2022: £713,000) and employees' contributions totalled £311,000 (2022: £253,000). The agreed contribution rates for future years are 17.0 per cent for employers for 23/24, and between 5.5 and 12.5 per cent for employees.

Parliament has agreed, at the request of the Secretary of State for Education, to a guarantee that, in the event of academy closure, outstanding Local Government Pension Scheme liabilities would be met by the Department for Education. The guarantee came into force on 18 July 2013.

24. RELATED PARTY DISCLOSURES

Owing to the nature of the academy trust and the composition of the board of trustees being drawn from local public and private sector organisations, transactions may take place with organisations in which the trustees have an interest. The following related party transactions took place in the financial period.

B Hughes, spouse of J Hughes, a Member and Trustee, is employed by the academy trust as an invigilator. B Hughes' appointment was made in open competition and J Hughes was not involved in the decision-making process regarding appointment. B Hughes is paid within the normal pay scale for her role and receives no special treatment as a result of her relationship to a trustee.

R Pool, spouse of A Pool, a Member, is employed by the academy trust as an Associate Head Teacher. R Pool's appointment was made in open competition and A Pool was not involved in the decision-making process regarding appointment. R Pool is paid within the normal pay scale for his role and receives no special treatment as a result of his relationship to a trustee.

25. CONTINGENT LIABILITY

The trust is affected by the Harpur v Brazel case, in which the Supreme Court ruled that employees permanently contracted to work only part of the year, do not have a reduced holiday entitlement, and holiday pay should be calculated based on average pay, ignoring weeks where there are no earnings.

The trust is likely to have an additional liability in respect of term-time only or 'zero hours' staff, where holiday pay has been calculated and paid based on days worked rather than full holiday entitlement, but has been unable to accurately quantify the likely amount at this stage.
