1. Introduction

Castleford Trust established as a Trust on 1st April 2013. The Trust comprises of three secondary academies: Airedale Academy, Castleford Academy and Crofton Academy; and six primary academies: Airedale Infant Academy, Airedale Junior Academy, Castleford Park Junior Academy, Glasshoughton Infant Academy, Oyster Park Primary Academy and Three Lane Ends Academy. Each academy is based within the Wakefield district. Castleford Trust serves approximately 5600 pupils.

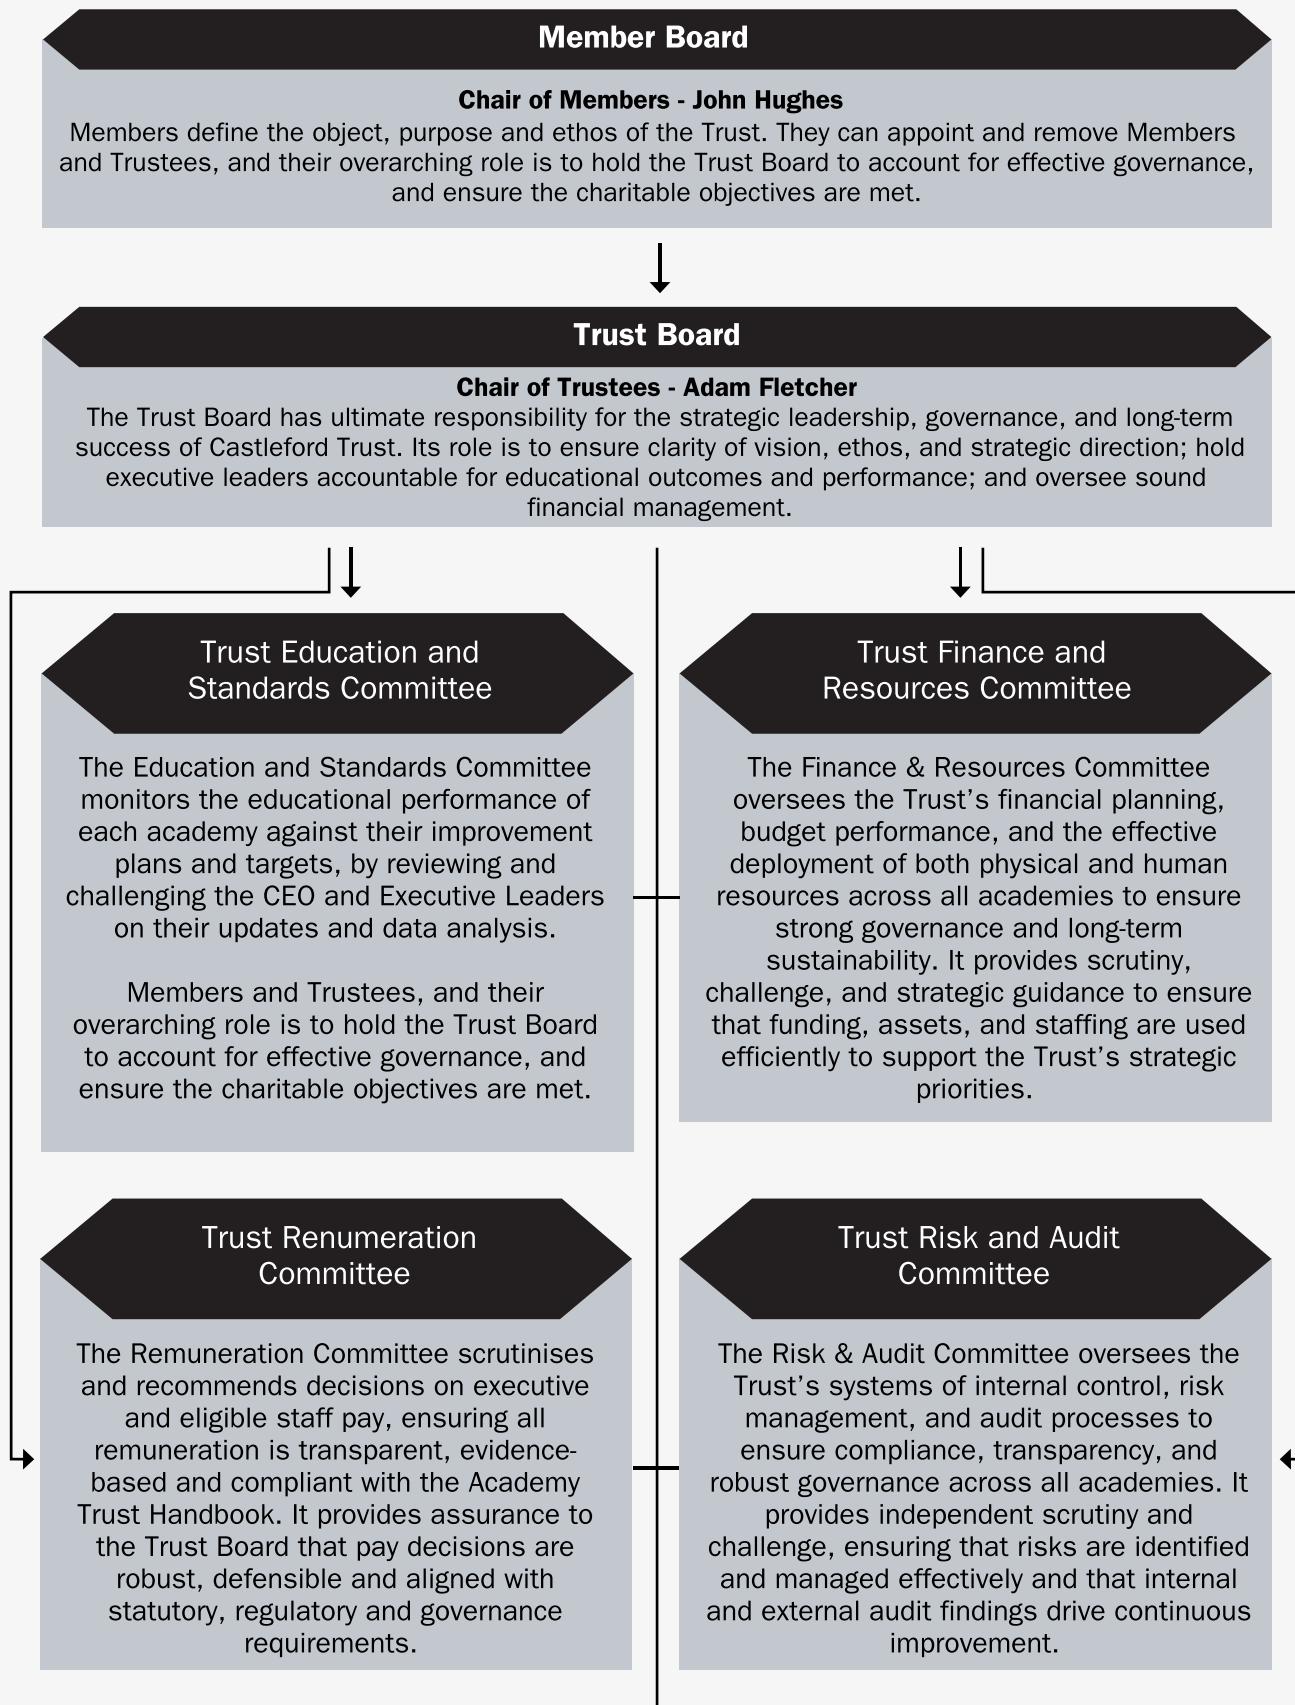

- The Members are the guardians of governance of the Trust. They define the object, purpose and ethos of Castleford Trust, and can direct the Trust Board, where required to ensure those elements are met. Members appoint Trustees and external auditors. In order to carry out their duties, the Members have a right to all information and briefing documents supplied to the Trust Board and its committees, together with minutes of meetings. Members can be invited to meetings of the Trust Board, Committees or Local Governing Body, and have the right to ask questions of the auditors.
- In line with the Academy Trust Handbook, the Trustees should focus on three core functions; ensuring clarity of vision, ethos and strategic direction, holding executive leaders to account for the educational performance of the organisation and its pupils, and the performance management of staff and overseeing and ensuring effective financial performance. In this work, the Trust Board is aided by the Finance and Resources Committee, Risk and Audit Committee, Education and Standards Committee and the Remuneration Committee.

- Local Governing Bodies (LGB) act as committees to the Trust Board and as such are established by the Trust Board. The Trustees delegate the responsibilities to challenge and support the quality of provision and educational outcomes for pupils to the Local Governing Body (LGB) at each academy. In addition, The LGB are also responsible for complaints, disciplinary and exclusion panels as required in line with trust/academy policy.
- The Trustees delegate their responsibilities for the day-to-day oversight of each academy to Executive Leaders. The Headteacher of each academy is an ex-officio member of the LGB at their academy.
- The Executive Team is made up of the Chief Executive Officer (CEO), Chief Finance and Operations Officer (CFOO), Director of Secondary Education (DSE), Director of Secondary School Improvement, Director of Primary Education (DPE), Deputy Director of Primary Education, Director of Finance, Director of Operations, Director of MIS, Data and Timetabling and Trust Governance Professional. The Executive Team is responsible for the operational management of the Trust and its academies, including monitoring performance and ensuring the Trust's strategy and policies are translated into action across the academies. The Chief Executive Officer is accountable and responsible for the operation of the Trust, and the Chief Finance and Operations Officer has financial oversight of the Trust on a day-to-day basis.
- A clear Scheme of Delegation is in place which sets out the powers in which the board committees and executive leaders may exercise on behalf of the Trustees. Clear codes of conduct are in place and must be adhered to by the relevant bodies.

2. Governance Structure

The Local Governing Body acts as an ambassador for the Trust within the local community, and supports school leaders to implement the Trust Vision and Ethos. They ensure robust safeguarding practices.

3. Trust Vision

Vision

**Working together to achieve
excellence for all**

Values

Care

We create safe, respectful environments where everyone feels valued, supported and empowered to thrive.

Aspire

We inspire ambition and provide opportunities for all to aim high, broaden horizons and unlock their full potential.

Succeed

We celebrate success in all its forms by helping every individual belong and achieve, because when one succeeds, we all succeed.

4. The Purpose of our Scheme of Delegation

The Scheme of Delegation has been developed to:

- Ensure clarity about the responsibilities and powers of Members, Trustees, the CEO, Executive team, Headteachers and local governing bodies (LGBs) regarding the management and governance of the Trust and its' academies, and to ensure compliance with legal and statutory requirements.
- Define individual and collective roles and responsibilities.
- Ensure Castleford Trust operates in a manner that is fit for purpose.
- Support the delivery of ethical governance.
- Prevent confusion that may lead to the loss of trust with stakeholders.

As the Trust matures, both in terms of governance and operational leadership, the Scheme of Delegation is likely to change. This recognises the need to be responsive to the evolving context and circumstances of the Trust and ensures that it continues to best meet the needs of its' academies and pupils. Thus, this Scheme of Delegation is intended to be a working document that will be reviewed by the Trust Board at a minimum on an annual basis.

They are also responsible for the management and administration of the Trust and, in accordance with the provisions set out in the articles of association and master funding agreement, the board is legally bound. The Trust Board is permitted to exercise all the powers of the Trust and may change or remove delegations at any time.

Role of the Chair of Trustees

The chair will be elected on an annual basis. With support from the vice chair and the clerk/ governance professional, the Chair, takes the lead in ensuring the effective functioning of the Trust Board and has a vital role in setting the highest expectations for professional standards of governance and accountability for the board. It is the chair's responsibility to give the Trust Board clear leadership and direction, keeping it focused on its core functions and acting as an ambassador and champion for the Trust at all times.

The chair should develop a strong and constructive working relationship with the CEO, executive leaders and other board members. The chair should encourage the board to work together as an effective team, building their skills, knowledge and experience. They need to ensure that everyone is actively contributing relevant skills and experience, participating constructively in meetings, and actively involved in the work of any committees. It is their role to make sure everyone understands what is expected of them and receives appropriate induction, training and development.

The chair will hold annual meetings with each Trustee to reflect on their previous year's work and set any targets for the upcoming year. These meetings will be open, honest, and will identify any areas for personal development. The chair must not exercise any of the functions of the board as a lone individual, except where this has been delegated from the Trust Board or in cases of urgency where a delay in exercising the function would be highly detrimental to the interests of the Trust, an academy, a pupil, parent or member of staff.

If the DFE has concerns about issues in an academy trust, such as executive pay and related party transactions, or where there is insufficient oversight or control of an academy trust's money, it will work closely with the Chair to resolve them.

The chair should ensure that succession planning arrangements are in place by identifying and developing individuals in order to equip them to step into the chairing or vice-chairing role so that any change in the chair does not impede the board's effectiveness.

The chair may exercise a casting vote in the event of a tied vote.

The chair of trustees has a named role for a specific purpose within relevant policies E.g., Whistleblowing, Complaints etc.

The Role of the Vice Chair

The role of the Vice Chair of Trustees is pivotal in supporting the leadership of the board, ensuring that the responsibilities of the Chair are manageable and effectively carried out. Acting as a trusted confidant and collaborator, the Vice Chair serves as a sounding board for the Chair, sharing tasks as needed to maintain a balanced workload and providing leadership in the Chair's absence.

In addition to fulfilling the general duties expected of all trustees, the Vice Chair may be entrusted with specific responsibilities. These could include overseeing the induction of new trustees, or evaluating the skills and development needs of the board.

Clear communication and documentation are essential aspects of the Vice Chair's role. It is important to ensure that any duties delegated to the Vice Chair are clearly defined and documented, promoting transparency and accountability within the governance structure.

The Vice Chair is expected to develop a close working relationship with the Chair, grounded in an understanding of each other's strengths and experiences. This collaborative partnership not only facilitates the sharing of workload but also enhances the overall leadership capacity of the board.

In times of necessity, the Vice Chair must be capable of assuming the role of Chair, chairing meetings effectively, and taking on additional responsibilities typically fulfilled by the Chair during extended absences. To prepare for such scenarios, the Vice Chair may undergo training or shadow the Chair to gain the necessary skills and insights.

The Vice Chair is expected to develop a close working relationship with the Chair, grounded in an understanding of each other's strengths and experiences. This collaborative partnership not only facilitates the sharing of workload but also enhances the overall leadership capacity of the governing board.

In times of necessity, the Vice Chair must be capable of assuming the role of Chair, chairing meetings effectively, and taking on additional responsibilities typically fulfilled by the Chair during extended absences. To prepare for such scenarios, the Vice Chair may undergo training or shadow the Chair to gain the necessary skills and insights.
